Professional achievement in the superior performance of his duties while serving as Leading Petty Officer, Air Detachment, Naval Mobile Construction Battalion Twenty-Two, during Field Training Exercise, Operation Bearing Duel, Fort Hunter-Liggett, California from 06 April 2015 to 26 April 2015. His outstanding initiative, motivation, and one-team, one-fight mentality were paramount to Battalion success as set forth in the following citation: LSSN Barnes showed outstanding personal initiative by volunteering for a position 2 steps above his pay-grade. Knowing that he would receive minimal training and have limited supervision, he exceeded all expectations by anticipating mission critical supply needs prior to mission execution. He also maintained all appropriate documentation and inventory controls for detachment supplies during the evolution leading to 100% accountability for inventory during inspection and was instrumental in the departmental score of excellent for the exercise. In addition, LSSN safely and efficiently staged and assisted in loading 18 vehicles for convoy movement operations from the Logistics SupportArea to the Forward Operating Base ensuring all critical supplies would be available for project execution quickly after arrival at the new training area. Other notable accomplishments include: setting-up and manning a fighting position; assisting with camp set-up; working outside of his rate by helping with the detachment s bunker project; and serving on advance party, assisting with check-out of required Personal Gear Issue, and other equipment required for a successful training evolution. Seaman Barnes personal initiative and dedication to duty reflected great credit upon himself, the Lone Star Battalion , and were in keeping with the highest traditions of United States Naval Service.
